## PENTAGON FURNITURE

A beautiful range of hand crafted furniture ideal for schools and libraries. Suitable for children up to 7 years, between 1085 to 1300mm tall.

- Use the tables separately as free standing units ...or place five tables together to form a workstation. The shape left in the middle can be filled with either a pentagon column with plain top, a listening station central console or activity centre console. All are optional, free standing and interchangeable.
- The listening station console has spaces for headphones, cassettes and tape playback equipment.
- The activity centre console has space for books and toy storage.

Manufactured from melamine faced MDF in beech or oak finish Also available in multi-colours of red, yellow, blue and green. Chairs upholstered in Camborne Mainline Plus. All edges are rounded and polished

Please state your choice of beech, oak or multi-coloured finish, and your choice of Mainline Plus upholstery fabric

## JUNGLE

This outstanding range of imaginative role play furniture offers exceptional levels of comfort, style and durability ideally suited for any school reading corner or home play area. Frames are traditionally constructed from hardwood with rounded corners for safety and polished to a natural finish. Tables have veneered tops. Cushions meet all necessary fire regulations and are available with either a wipe clean PVC (P) or a washable Cotton (C) finish. Suitable for Crèche and Primary age children.
