MOBILE LOW STORAGE

GREAT VALUE !

This high quality mobile storage range is ideal where price matters. Self assembly is easy, once assembled you have a great value product.

Designed specifically to be mobile, the load is evenly distributed through the base to four castors.

Manufactured from 18 mm MFC with a 2 mm PVC edge.

- Delivered Flat Pack.
- Trays sold separately.
- Units available in Beech, Oak, Grey (see the multi coloured section for more solutions in this style)
- Some suppliers hold quantities in stock.

We manufacture a complete range of low and tall educational storage products. If what you are looking for isn't shown please contact your supplier.

For Trays and colours see the Gratnell's section .

PRICES ARE FOR SELF ASSEMBLY AND DO NOT INCLUDE TRAYS!
