

# The Crèche Range

## SAFARI

An extremely versatile range of soft play furniture offering a wide combination of imaginative play situations or to form a reading corner. Made from combustion modified foam covered with a range of attractive flame retardant fabrics. There is the option of either wipe clean PVC (P) or a removable washable fabric cotton cover (C). Suitable for pre-school and Infant children.

## JUNGLE

This outstanding range of imaginative role play furniture offers exceptional levels of comfort, style and durability ideally suited for any school reading corner or home play area. Frames are traditionally constructed from hardwood with rounded corners for safety and polished to a natural finish. Tables have veneered tops. Cushions meet all necessary fire regulations and are available with either a wipe clean PVC (P) or a washable Cotton (C) finish. Suitable for Crèche and Primary age children.
