## TIDY DAYS

A versatile range of classroom storage furniture made from hard-wearing beech effect panels with solid beech frames. Heavy duty castors are fitted as standard for easy movement where appropriate.

### TA - Book Case

This bookcase comes with adjustable shelves to accommodate a variety of different sized books.

### TB - Hat and Coat Unit

This neat coat rack is ideal for storing all outer garments. The lower easy access storage unit comes complete with 3 curver boxes for shoes, books or toys. The flat top is ideal for display or boxes.

### TC - Chalkboard

An ideal inexpensive chalkboard with polished timber frame for Pre-school and Infant children. Each side has a chalk surface which allows two children to work together and incorporates a chalk rail. Folds away flat when not in use.

### TD - Tall Storage and Display Unit

This mobile storage unit comes complete with 12 shallow sliding tote trays and 3 deep trays to the bottom. The upper tier is complete with 3 open shelves.

### TE - Storage Unit

This unit complete with 8 deep trays will solve a host of storage requirements.

### TF - Book Display and Storage Unit

Specially designed as a low level bookcase for easy reach by early years and infant children. Book storage is plentiful in this double sided unit featuring both a sloping display rack and 4 storage compartment shelves.

### TG - Hanging Bag Displayer Unit

Storing and displaying your big books and group readers in hanging bags for the National Literacy project could not be easier than with this robust two tiered book stand which is at an easy browsing level for children. The reinforced hanging rails avoid unsightly bowing when loaded.

### TH - Book Storage Box

A mobile book store kinderbox suitable for younger children, containing 4 useful book storage compartments to the upper deck with the addition of an open shelf to the lower for larger books or other artifacts.
